These programs give residents easy and convenient ways to dispose of unused and unwanted over-the-counter and prescription medicines, thereby helping to protect our state's environment and keeping these drugs off the streets. The Take Back program (in law enforcement agencies) accepts both prescription and over the counter medications. The Rock - Home of Minot Youth for Christ Minot Youth for Christ is a local chapter of YFC/USA that was founded in 1982. Since then, we have been a safe place for young people to come have fun and hear the gospel. Simply put, our model of ministry follows the Great Commission from Matthew 28. We go into the world, preach the gospel that Jesus Christ is Lord, and make disciples of all who believe. We believe in the power of our testimony according to Revelation 12:11. As such, our evangelistic model follows a concept called "3 Story" in which we share with people God's story (what God has done for the world by sending His Son), our story (what God has done in our lives), and listen to their story (the physical, emotional, and spiritual needs of the person we are talking to). Youth center is located at 318 5th Ave NW in Minot. Feel free to call us during business hours at (701)839-4660 <https://minot.yfc.net/>
